 - Are you playing a par 3 executive course? Or, are you playing a course where you will need those fairway woods and a solid driver?
- Be sure to wipe down your golf clubs before your next golf round

- Golf tees
- Golf balls
- Divot football retriever
- Sharpie pen (mark your ball)
- Glove (And a backup just in case)

- Layer for climate changes during a round like thunder and rain bursts
- Protect and shade your eyes with a hat and polarized sunglasses
- Golf shoes free of mud and debris. Clean them on the prior day.
